Assumption of Risk

I am aware that running is a potentially hazardous activity. I realize I should not enter and run unless I am medically able and properly trained.

I assume all risks associated with running in this event including, but not limited to falls, contact with other participants, the effects of weather, and the conditions of the road, all such risks being known and appreciated by me.

This event will be conducted on city streets-not all of which will be entirely closed to automobile traffic. There are no Medical assistance stations located on the course.

I am voluntarily participating in this 5K Run/Walk with the knowledge of the above listed concerns.
