We had a total of 29 registered. It was a wonderful day for this run. EVERYBODY finished under 3 hours! All runners were given a participation medal and the top three overall finishers in both categories were awarded cash. \$100, \$75, \$50 respectively. Pottawatomie County Ambulance staff was on scene for any injuries, food provided by Black Jack Hills owners Ron and Joni Noe. Red Bull was there to provide runners with their energy drink as well as Almost live DJ providing music.

Runner comments were: great course, one challenging hill, great job by Sherriffs department in closing off the highway, fun give aways and great food, beautiful scenery.

Budweiser provided give aways and Alltel provided workers for water stops and a trail driver. Community Health ministries provide water stop workers and all did a wonderful job in keeping it organized. Thanks to all the participants, volunteers, and sponsors.
